Quarterly Update – June 2024

Roads:

Work on the Playbird Rd Reconstruction Project has been delayed by the weather conditions. Buteyn – Peterson has re-scheduled work to start next week, June 24.

Maintenance work for Lynwood Ln (by Scotts Construction) should be done in August. Chip sealing on sections of Meadowlark Rd and the overlay on Pigeon Ln (by Sheboygan County Highway Department) have been completed.

Ditch cutting on Town Roads should be starting soon. Sheboygan County Highway Department has been out cutting county road ditches in some areas.
